

In May 2019 a £4.7m project for the Trent Valley in Staffordshire and Derbyshire was launched thanks to a grant of £2.7m from the National Lottery Heritage Fund.

Transforming the
Trent Valley

As the Transforming the Trent Valley Landscape Partnership scheme celebrates its first year, we look back at some of the achievements of the past 12 months.

58

Family Friendly

WildChild

sessions bringing almost 100 children and their families closer to nature.

4 Military heritage assets surveyed and monitored
