

Transforming the Trent Valley

In May 2019 a £4.7m project for the Trent Valley in Staffordshire and Derbyshire was launched thanks to a grant of £2.7m from the National Lottery Heritage Fund.

As the Transforming the Trent Valley Landscape Partnership scheme celebrates its first year, we look back at some of the achievements of the past 12 months.

4 Military heritage assets surveyed and monitored

£90,800 biodiversity offsetting funding secured

3 Guided Walks led by local experts

1.1 km of fully accessible walking trails created in the scheme area

37 volunteer days on the canal
1.8 km of towpath improved

58 Family Friendly WildChild sessions bringing almost 100 children and their families closer to nature.
