

Transforming the Trent Valley

What do you need:

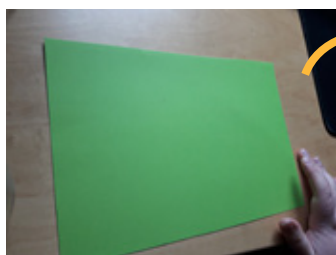

- Card in a rectangle shape
- Glue
- Paint brush

How to make a paper canoe

Share your creations with us on social media [thetrentvalley](#)

or visit our website

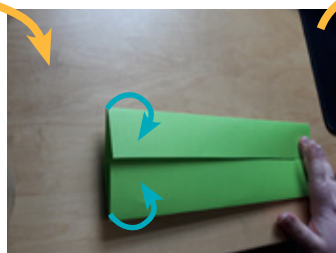

www.thetrentvalley.org.uk

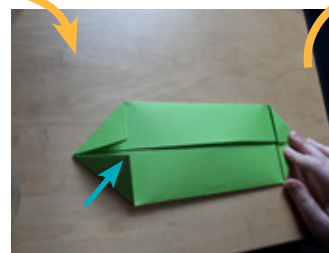

Choose the card for your canoe

Fold card in half

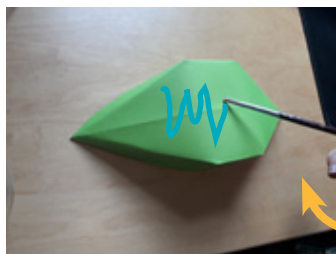

Fold both halves towards middle

Fold corners so the points line up to the middle

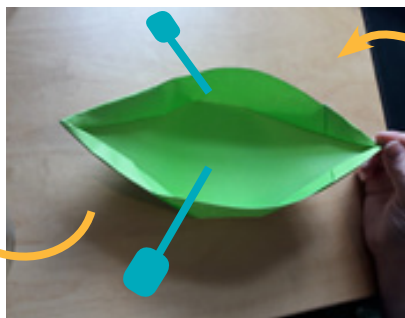

Fold corners again, bring the furthest points to the middle

To make it last longer in water add a layer of glue to the bottom of the boat.

Wait for it to dry....

Heres your canoe!

Wrap the fold round the side, with the smallest corner fold tucked inside

Fold the corner creases over the side

Open the middle to make the side of the boat

After using the boat in water the glue will become sticky again, so dry upside down.
